

John Q. Public

1234 South Meadow Pass Saltville, NY 12145 info@allstarresume.com (728) 465 - 7390

Experience: REALANDRO FINANCE CORP. Albany, NY

Nov. 2004 - *Senior Analyst*

Present

- Analyzed and valued potential acquisition targets. Consulted clients on the targets' attractiveness based on industry and financial considerations.
- Assisted development-stage firms in raising over \$50 million of capital through angel investors and private equity firms.
- Developed initial set of screening requirements for prospective clients seeking to raise funds.
- Performed analyses for negotiation team that reduced payables by 18% for client entering into Chapter 11 bankruptcy.
- Conducted due diligence on a \$200 million company with subsidiaries in Europe, South America, and the Middle East that each followed different accounting policies. Personally inspected all ten of the company's distribution warehouses.
- Prepared financial models to illustrate the likelihood of post-merger entities having dilutive earnings.
- Organized the firm's first Labor Day golf outing. It raised over \$20,000 for local charities.

WEST END ACCOUNTING GROUP

El Paso, TX

Aug. 2002 -

Staff Auditor

Oct. 2004

- Prepared financial models to analyze profitability of XYZ joint ventures in A, B, and C industries.
- Researched new accounting pronouncements and advised clients on the earnings effects from the multiple, acceptable implementation methods.
- Analyzed and critiqued testimony given by an expert witness in a fraud accounting case.
- Led recruiting efforts at Southwest University for new hiring needs.
- Trained and mentored summer interns.
- Supervised administrative staff during production of client financial statements.
- Served as company representative at local AICPA meetings.

DOE'S BOOKKEEPING SERVICE

New York, NY

Summer 2001

Summer Intern

- Compiled complete sets of financial statements for 501(c)(3) organizations with June 30 fiscal year ends.
- Prepared financial forecasts with detailed cash flow and profit and loss analyses for a 12-month period. These reports were then used by CEOs and CFOs to adjust their corporate strategies.
- Reconciled monthly bank statements for small service and manufacturing companies.
